## Reports.

The British Army General Captain McPherson, reports having left Wanning on the 14th July. On the 15th July passed the Saddle Islands during the night the wind increased to a gale, and the ship was driven to the Saddle Islands for two days until the weather moderated when turned her up. Proceeded to the Southward until the 25th when a strong gale from the Southward blew up and drove her to the Saddle Islands. Finding that he could not make headway nor the wind up and kept away to the East of Formosa. On the 3rd August spoke the three-masted steamer "Asia" bound to Adelaid, that she had been driven to the Saddle Islands outside Formosa experienced light winds and came into port on the 21st.
